Development Department

G.O.Ms.No.1406 Dated 20th March 1948

Read the following:

G.O.Ms.No.669 Development, dated 11.2.1948.
G.O.Ms.No.927 Development, dated 26.2.1948.
From the Director of Industries and Commerce, No.6101 D/47 dated-28.2.1948.

ORDER:

In order to clear the stocks of raw silk accumulated at the Government Silk Filatures, Kollegal, the Director of Industries and Commerce has proposed that agents may be appointed at all the important silk marketing centres such as Bangalore, Conjeevaram, Kumbakonam, Coimbatore, Salem Bombay, Surat, Benares and Cawnpore on the lowest rates of commission and in any case not more than 4% as commission, for selling the Kollegal filature silk and also the Japanese imported silk purchased by this Government. He has suggested that the rates of commission may be fixed consistent with the guarantee given by the agents for their turnover and that a deposit sufficient to cover the cost of silk that is normally expected to be in stock with the agents may be collected from them.

2. The Government approve the procedure suggested by the Director of Industries and Commerce as described in para 1 above, provided that the profits for the whole year do not go below 6¼%. The action of the Director of Industries and Commerce in having advertised for applications for agencies, in anticipation of the approval of this procedure by the Government, is also approved.
